

## INVERSORES MUST

| PRODUCTO  | PIEZAS X CAJA | CANT. | MODEL N°       | DESCRIPTION   | Stock almacen |
|---|---------------|-------|----------------|---|---------------|
| PV1300 series off grid solar Inverter                         | 4             | 150   | PV13-1200 PLUS | Solar Inverter 720w/12v inside pwm 50A, battery cable standard  | 129           |
| 230V/60 HZ PF: 1.0 Modified sine wave                         | 4             | 300   | PV13-2400 PLUS | Solar Inverter 1440w/24v inside pwm 50A, battery cable standard | 288           |
| PV 1800 VPM series off grid solar inverter 230V/60 HZ PF: 1.0 | 1             | 150   | PV18-1012 VPM  | Solar Inverter 1KVA/1000w MPPT 50A AC230v/DC 12V MAX PV55-60V   | 0             |
|   | 1             | 160   | PV18-2024 VPM  | Solar Inverter 2KVA/2000w MPPT 60A AC230v/DC 24V                | 126           |
|   | 1             | 250   | PV18-3024 VPM  | Solar Inverter 3KVA/3000w MPPT 60A AC230v/DC 24V                | 0             |
|   | 1             | 150   | PV18-2024 VHM  | Solar Inverter 2Kw/24v MAX PV: 145V Inside MPPT 80A             | 62            |
| PV 1800 VHM series off grid solar inverter 230V/60 HZ PF: 1.0 | 1             | 250   | PV18-3024 VHM  | Solar Inverter 3Kw/24v MAX PV: 145V Inside MPPT 80A             | 120           |
|   | 1             | 50    | PV18-5048 VHM  | Solar Inverter 5Kw/48v MAX PV: 145V Inside MPPT 80A             | 0             |
| PH180 OPLU series off grid solar inverter 230V/60 HZPF: 1.0   | 1             | 30    | PH18-5048 PLUS | Solar Inverter 5Kw/48V MAX PV: 145V Inside MPPT 80A             | 2             |
|   | 1             | 30    | PV35-4KW PRO   | Solar Inverter 4Kw DC: 48V MPPT 80A                             | 29            |
| PV3500 PRO series off grid solar inverter 230V/60 HZ PF: 1.0  | 1             | 30    | PV35-5KW PRO   | Solar Inverter 5Kw DC: 48V MPPT 80A                             | 29            |
| PC1600 MPPT solar charge controller air cooling               | 4             | 100   | PC16-4015A     | MPPT 100A air cooling 12V/24V                                   | 100           |
| PC1800 MPPT solar charge controller fan cooling               | 4             | 100   | PC18-6015F     | MPPT 60A Fan cooling 12V/24V/48V                                | 92            |
|   | 4             | 100   | PC18-8015F     | MPPT 80A Fan cooling 12V/24V/48V                                | 100           |
|   |               | 5     |                | Parallel kits for PV18 series                                   | 0             |
|   | 4             | 100   | PC18-10015F    | MPPT 100A   | 100           |

## INVERSORES AZULES
